Give your lengthy Chrome Closet Rod the added support needed to ensure years of reliable performance with a One Inch Closet Rod Center Support Bracket. This closet rod bracket mounts onto the underside of closet shelving above, and is recommended to provide additional support and stability for 1 inch round closet rods exceeding 40 inches.

Custom Closet Rod Center Bracket Features

- Durable zinc die-cast construction with a polished chrome plated finish.
- Round shaped bracket accommodates our Custom Size Chrome Closet Rod, or other round rods measuring 1 inch in diameter.
- Recommended for supporting closet rods measuring over 40 inches long.
- Mounts onto closet shelving above with a pair of screws, which are **NOT** included with the bracket.
- Bracket creates 1 1/2 inch of clearance between the top of closet rod and bottom of closet shelf.
- Combine with our [One Inch Round Closet Rod Flanges](#) for proper installation of rod.

Provide sturdy and stylish hanging storage for garments in any closet with a Custom Size One Inch Chrome Hanging Closet Rod. Perfect to add to a FreedomRail design or for giving an old closet a fresh new look, each closet rod features a variety of installation options and can be custom cut to fit the layout of your closet. **NOTE: The quantity field you will see in your cart is the total footage calculated. The number and length displays as well. Please DO NOT change the quantity value in the cart.**

Custom Size Chrome Hanging Closet Rod Features:

- High-grade construction with a sleek, polished chrome finish.
- One inch in diameter.
- For help ordering this item, [click here for our help pop up](#) or [Contact Us](#).
- Sold by the foot, and available in any custom length cut to the nearest quarter inch - up to 90 inches (7.5 feet) long.
- **Note: Rods come in up to 96 inch or 8 foot lengths, however, because of high shipping charges for items measuring over 94 inches we will have to charge an additional \$90.00 for shipping on orders containing rods over 90 inches.**
- Can be installed into a FreedomRail system using [Closet Rod Clips](#).
- Install onto melamine closet partitions or onto walls using [One Inch Round Closet Rod Flanges](#). Please subtract approximately one quarter inch to accommodate the width of a pair of flanges.
- Can also be combined with our [Closet Rod and Shelf Support Brackets](#) to create a custom look and feel in any closet.
- Add a pair of [Rod Stops](#) to each rod for a finished look and to ensure clothing hangers will not slide off the ends of the rod.
- Rods measuring an excess of 40 inches should be adequately supported when holding heavy loads.
- Rods can be cut to nearest quarter inch only.

To order your closet rod(s) simply enter the length in inches, then the quantity of rods you desire, and click **Add to Cart**. For example, if you would like to order four rods measuring three feet in length, enter 36 into the **Length In Inches** field, and then 4 into the **Qty** field. If you would like to order rods cut at different lengths, you must add them to the shopping cart separately. The total footage and cost of your rod(s) will be automatically calculated for you.

Important Product Information:

This grandly ornate oval frame is resplendent in a beautiful gold finish and generous ornament, evocative of vintage portrait presentations from the early days of photography. Please note: oval frame measurements list the maximum width and height of the frame. If you're framing a rectangular piece, the corners will need to be trimmed before installing into an oval frame.

Frame profile measurements shown are for 8x10 and 11x14 sizes; 16x20 size is proportionally larger, at 2" wide.
